Please provide a description of your self-employment (company) and the products or services you offer.

To better understand the impact of the COVID-19 Pandemic on your business, please answer the following questions:

- + Are/Were your business operations impacted, or have you maintained your business at the same or greater level as previous years?
- + Has your business operation been impacted due to the nature of the business, such as seasonal work?
- + Did your business receive an SBA or PPP loan or any other COVID-19 related loan or grant?
- + Has your business continued to operate at your normal business location, or have you had to use an alternative location to operate your business?
- + If you received a loan: Please provide the number of loan proceeds and date received.
- + Has there been an ongoing demand for your product, or the services offered by your business?
- + Are all or any portion of the funds received subject to repayment?
- + Have your business operations and/or business revenue been temporarily impacted due to shelter in place, stay at home, or other similar state or local orders? If so, please provide the time-period of the restrictions and the impact on revenue during this time.
- + Are these funds included in the Net Income on the Profit & Loss statement provided?
